Bon Jour Friends!

We thank you for your interest in Bonjour Social and Leisure Center, a safe place for seniors where seniors spend time socializing and engaging in stimulating activities with our staff.

Bon Jour Social & Leisure Center was created with the understanding that some seniors may feel socially isolated as they may have chosen to age in place -either in their own homes or with loved ones, or they have retired from work and are seeking opportunities to remain involved in the community. We know that families worry that their parent, or family friend, is left alone feeling lonely and bored. Bon Jour Social & Leisure Center offers a solution for seniors to enjoy social interaction for the day. Our activities are bound to offer something for everyone to enjoy. It's win-win for all.

Our admission application is available online. Once completed, please call our office so that we may set up an appointment for the next steps. Please note that we are a private pay, non-medical community.

On behalf of the staff and myself, we welcome you and your family to Bonjour Social and Leisure Center as we look forward to being an active part of your loved one's social wellness lifestyle.

See you soon,

Maria
